

GRSC Sunflower
Saturday, July 8, 2023
to
Sunday, July 9, 2023
Muskegon Lake

Come join us for an overnight on Muskegon Lake!

*Look for the Sunflower
Gnome who will be sitting
atop Exhale's mainsail
and supervising the
event!*

We will either anchor off the state park or in one of the bays at the entrance to the harbor. Call 616.402.4753 as you get close.

Let's see if we can get enough boats to complete the Sunflower this time!

If we get a good number signed up, we can arrange for an aerial shot of our formation.

Sail from Grand Haven Saturday morning/afternoon with others or join up with GRSC members already there!

Bring your dinghies if you can.

Members who are not sailing, please sign up and land cruise to join us for dinner

At Dockers at 6:00 p.m.!
